

CRC 1412 „Register“

Integrated Research Training Program (MGK)
Short-term scholarship program

[This form is a voluntary supplement to the application for a short-term fellowship at CRC 1412.]

CONTEXT AND BACKGROUND (OPTIONAL)

Research excellence emerges from diverse paths. This optional section allows you to provide context that may help us evaluate your achievements and the developmental value of this fellowship for you. All questions are optional. Leaving this section blank or declining to answer specific questions will not disadvantage your application.

Background Information (check all that apply, or select "prefer not to say")

I am a first-generation university student (neither parent/guardian completed a university degree)

During my studies (BA, MA, and/or PhD), I worked more than 15 hours per week for financial reasons

During my studies, I had significant caregiving responsibilities (children, family members, etc.)

I had limited access to research infrastructure, funding, or support at my home institution(s)

I am a non-native speaker of English and/or German (languages of academic work in this fellowship)

None of the above

Prefer not to say

Open Response (300-500 words):

If there are circumstances that provide important context for evaluating your achievements - such as those indicated above, educational barriers, health challenges, career changes, or other factors - you may describe them here.
